I understand that the Parish Stakeholder must attend 1 online orientation meeting and should keep in contact with the Director.

I understand that it is the responsibility of the Parish to provide at least 1 Crew Leader, 1 Contractor and 1 seven passenger vehicle for every 5 student participants. If you have teens of both genders coming, you'll need crew leaders of each gender as well.

It is the responsibility of the Parish to ensure that all participants 18 and older are VIRTUS trained and registered. Crew leaders must also have a driver's check and a 7 passenger vehicle available to them for the week.

I understand that each student work camp participant and crew leader costs \$325. Contractors are covered by the Baltimore Work Camp. Each Parish will be billed for the number of participants and crew leaders they have registered by May 15. After that date no refunds will be given. Additional youth joining will be at the discretion of the Director. If a Parish cannot provide the adult support or vehicles needed, it could result in their teens not being able to attend.

We rely on our Parish priests to provide the sacraments to our Work Camp participants. Please ask your Pastor if he would say Mass at 8am or hear confessions on Wednesday evening at Work Camp.
