

## YOUTH CODE OF CONDUCT BALTIMORE WORKCAMP 2021

I, \_\_\_\_\_, am a participant in Baltimore WorkCamp 2021 Produced by St Anthony Shrine (hereafter “Work Camp”) and hereby acknowledge that this program may involve a variety of activities which may be both physical and mental in nature. These activities are designed to be within the limits of a person who is in reasonably good health. The level of participation in all programs and activities is at all times completely up to the individual. I am aware of no physical, mental, or emotional problems which would limit my work performance during WorkCamp. I am fully aware of the nature of the work to be undertaken during WorkCamp. Safety is the top priority in all programs. In addition, each participant must assume the risk that he or she may suffer an emotional or physical injury and disability.

**Liability Coverage:** I understand that the Archdiocesan Insurance Program maintains general liability insurance that generally covers participants for claims arising out of actions in their role as participants in WorkCamp, which may result in damage or injury to another person or persons. However, I acknowledge these policies will not protect me for criminal or intentional acts committed by me.

### **As a participant at WorkCamp, I will be expected to:**

- Be aware of and promote individual and group safety at all times. I understand that safety is important. It is my top priority during the week, at homebase and on the project site.
- Participate fully in all planned activities, group sessions, programs, devotions and work projects.
- Respect facilities at homebase. We are guests and need to exercise care and concern in all situations. Room occupants are responsible for the condition of their room. Damage to the building, furniture or equipment will be charged to those responsible. My Parent/Guardian understands that they are responsible for my behavior.
- Observe the lights-out time. Rest is important in order to work efficiently and safely, and to fully enjoy WorkCamp.
- Respect others’ privacy and human dignity. Male and female sleeping rooms, hallways, shower & bathrooms are carefully marked. No guys will be allowed in the girls’ area and no girls will be allowed in the guys’ area FOR ANY REASON! I further agree to bring everything listed in the WorkCamp Packing Checklist and happily comply with the Work Camp dress code as outlined herein.
- Use my cell phone responsibly. Cell phones may be brought to Work Camp, but phones may only be used during free time at homebase. Phones are a distraction and cannot be used traveling to the work site, at the work site, or during programs. I understand that my parents may always contact me through the WorkCamp office for the duration of this week of service.
- Be present the entire week. I understand that as a participant at WorkCamp, I am expected to be present at WorkCamp the entire week, from Sunday, June 27, 2021 through Friday, July 2, 2021.
- Refrain from smoking during WorkCamp. Smoking is not allowed during the WorkCamp week.

- Not possess any alcohol or non-prescription drugs at any time during WorkCamp. Fireworks are also prohibited!
- Understand that jokes or pranks about bombs or terrorism are not acceptable. Any participant attempting such pranks can expect severe disciplinary measures and may also be held accountable by law enforcement agencies.

**MY PROMISE:**

I freely execute this acknowledgement with full knowledge of its content. I promise to live by these guidelines and expectations in my attitude and my actions. I will also encourage other participants to live with this promise. I understand that if I choose by my attitude or by my actions to not live up to these expectations, I will face consequences, which may include being sent home.
